SECOND ANNOUNCEMENT

We are pleased to share with you some exciting updates in the planning of the **First Adriatic Symposium on Biophysical Approaches in Biomedical Studies**. Please visit our Web site to review the scientific program, as well as important information regarding abstract and registration deadlines, accommodations and more exciting details about the Symposium.

1. SCIENTIFIC PROGRAM: The **First Adriatic Symposium on Biophysical Approaches in Biomedical Studies** is an excellent learning and collaboration opportunity. Our scientific program includes a mixture of topics, combining some of the most prominent contributors from the joint fields with complementary but overlapping strengths. We have put together an outstanding program designed to encourage interaction and discussion.

2. CALL FOR ABSTRACTS: Abstracts are now being accepted for lecture (invited speakers), short oral presentation (SOP) or poster presentation in each of the four sessions. The abstract template can be downloaded as a Word file. Remember to submit your abstracts by May 1 (if you need a few extra days, just let us know). Acceptance notifications will be emailed by May 10. For abstract submission guidelines, please visit <http://first-adriatic-symposium-babs.com/index.php/dates-and-deadlines/abstracts>. Questions regarding Abstracts may be directed to Jane Thelander (jthelane@mcw.edu).

3. CONFERENCE REGISTRATION: The task of planning each conference activity and event entails considerable planning and organizing; therefore we urge you to register by June 1 to take advantage of the lowest fees. The form can be downloaded from the Web site, <http://first-adriatic-symposium-babs.com/index.php/dates-and-deadlines/registration>.

4. ACCOMMODATIONS: The Organizing Committee has reserved blocks of rooms for a limited time at nearby hotels and hostels listed on the Web site <http://first-adriatic-symposium-babs.com/index.php/venue/accomodation>. To ensure that you receive the special group rate, we encourage you to make your reservation early. Questions regarding Accommodations may be directed to Željana Marković (split@hfhs.hr).

From the Organizing Committee, we thank you for your participation in the **First Adriatic Symposium on Biophysical Approaches in Biomedical Studies**, and we look forward to an exciting conference!
