

# First Adriatic Symposium on Biophysical Approaches in Biomedical Studies

Mediterranean Institute for Life Sciences, Split, Croatia

August 24-29, 2014

<http://first-adriatic-symposium-babs.com/>

Jointly organized by

May 2, 2014

THIRD ANNOUNCEMENT

Dear Colleagues:

The organizers of the **First Adriatic Symposium on Biophysical Approaches in Biomedical Studies** have the following important updates to share:

**ABSTRACT DEADLINE EXTENDED:** We have been asked to extend the deadline for abstract submission. The new deadline is Tuesday, May 20, 2014. Acceptance notifications will be emailed by Friday, May 30, 2014. For your convenience, the link to the abstract submission information is: <http://first-adriatic-symposium-babs.com/index.php/dates-and-deadlines/abstracts>.

Venue

**TRAVEL AWARDS OFFERED:** We are pleased to inform you that the European Biophysical Societies Association (ESBA) has made funds available to offer Travel Awards to young scientists to participate in the Symposium. Graduate students and postdoctoral fellows may submit their current CV and a letter from their mentor to Marija Raguz ([marija.raguz@mefst.hr](mailto:marija.raguz@mefst.hr)) by June 1, 2014. Support will be distributed according to the EBSA rules, and the amount of the awards will depend upon the number of applications received.

Advisory Committee

Davies, Michael  
Fruk, Ljiljana  
Klug, Candice  
Kusumi, Akihiro  
Sikora, Adam

**VENUE:** As you make your travel plans, be sure to visit <http://first-adriatic-symposium-babs.com/index.php/venue/culture>. The symposium organizers have assembled all the details for your travel and visit to Split, where you can enjoy its mild climate, authentic Mediterranean food, hospitality, history, and spectacular scenery.

The **First Adriatic Symposium on Biophysical Approaches in Biomedical Studies** is the perfect forum to learn, share and foster collaborations. We look forward to welcoming you to an educational and enjoyable symposium this August in Split!
